Foreword to Mr. Wachter

Our Dearest Mr. Wachter:

We, the students of Pembroke High School, wish to extend a special thanks to you, in deep appreciation for your past efforts and services to our school district.

With your strong faith, you helped us to once again believe in our school. We always knew that your support would be there, and we welcomed it with gratitude.

For a time, our paths met and crossed, but now, as we continue through the maze of life, we must each continue in our own direction, seeking out our hopes and dreams.

Mr. Wachter, you will be remembered deeply in our hearts forever.

THANK YOU!

PEMBROKE HIGH SCHOOL STUDENT BODY

In Memory

Death is always and under all circumstances a tragedy, for if it is not, then it seems that life itself has become one.

Many of us will remember Keith Plough in our thoughts as well as our hearts. He was a very warm person especially to those he knew well. Although he left us so early in his life, he left us with some cherished memories. Keith was kind to others. He was thoughtful not only to his peers but to those older and younger than himself. His company was welcomed by all. He will be long remembered for the kind of person he was — a good friend.

DEDICATION to Mrs. Henning

Mrs. Henning came to Pembroke right out of Robert Wesleyan College. She has spent years at Pembroke teaching all business courses. Because of her concern for the students she has devoted innumerable hours preparing students for careers. We thank you for your time and efforts in helping so many students at Pembroke High School.

Thank-you, Mrs. Henning

Graduation Day

Today we'll start a new life
And we'll say our last goodbyes
To all the friends we've grown to love
With whom we've laughed and cried.
Remembering the fun and laughter,
The problems and the fears,
And watching all our memories grow
Throughout our high school years.
The memories of the dances
And the new friends that we've met,
Vacations, teachers, talking
And exams we'd rather forget.
Yes, high school days are precious but brief,
Where all your dreams come true;
It is not the end, but the beginning
Of a life, we'll start anew.

Cross Country Wins Section V Trophy

The 1981 Pembroke Cross Country Team continued its success by going undefeated for the fourth consecutive year.

The team made history at sectionals in Newark, New York. They captured the Section V Class B and C crown. The Pembroke Harriers were led by Captain Jack Countway, who won top boys dual honors for the race. Co-captains Jack Countway and Jerry Farley joined teammates Scott Oberlander, Dave Foss, Ralph Bates, Scott Wade, Eric Mohn, and John Summers in Malone, N.Y. state intersectional competition. Our school placed 11th overall in the small school race representing close to 300 schools. Congratulations to the team and to Jack Dresse, who completed his first season coaching the team.

Winners and Losers

The loser is controlled by obstacles; the winner is excited by challenges.
The loser is fearful of failure; the winner is confident of victory.
The loser magnifies misfortunes; the winner creates opportunities.
The loser worships conformity; the winner expresses originality.
The loser is a pessimistic part of the problem; the winner is a dynamic part of the answer.
The loser resists change; the winner dares to be different.
The loser has a convenient excuse; the winner has a compelling purpose.
The loser believes the worst; the winner expects the best.

He who dares nothing . . . need hope for nothing.

and to win - Schiller

Handwritten notes in cursive script, mostly illegible due to blurriness. Some words like "win" and "Schiller" are visible.

Positive Thinking

If you think you are beaten you are

If you think you dare not, don't

It would'vese to win, but you think you can't

It's almost a cinch that you will win it

If you think you'll lose, you've lost

For out of the world we find

Success begins with a fellow's will,

It's all in the state of mind.

If you think you're outclassed you are

You got to think high to rise

You got to be sure of yourself before

you can ever win a prize

Life's battles don't always go to the

swifter or faster man

But sooner or later the man who wins

Is the one who thinks he can

To Someone Special

Mr. Carney was a man we knew and loved,
He was unique and understanding
He cared for the people he worked with,
and the ones he taught
When he got mad
he would not explode,
but apologize for his bad mood
His life consisted of,
teaching people to love
and understand each other's
feelings to be happy,
and enjoy the things you have
He was always there to listen and give advice
For these reasons and more
we share the many happy
Memories
Which he gave to us
And hope that someday
we may be as happy as he
is now

STUDENTS' MEMORIES

Mr. Carney was a man with many great qualities. When you needed him he was always there to help. He was one of those special people you meet in your lifetime and never forget.

Mr. Carney was a kind man who was willing to help anyone no matter how big their problem was and I will never forget him for that one quality.

Previous are the memories I've kept of a wonderful person. I'll never forget. Thank you for everything Mr. Carney. Love you.

Mr. Carney always was there for you when you needed a friend. He always looked at both sides of a problem before passing judgement on anyone or anything. That is why I will always remember Mr. Carney.

If I had my life to live over
I would relax more
I wouldn't take so many things
so seriously.

I would take more chances
I would climb more mountains,
and swim more rivers . .

Next time
I'd start barefooted
earlier in the spring
and stay that way
later in the fall.

I wouldn't make such good grades
unless I enjoyed working for them.

I'd go to more dances.

I'd ride on more merry-go-rounds

I'd pick more daisies.

Junior Miss

On October 24, 1981, the Genesee Junior Miss Pageant was held at Batavia Senior High School. Two senior girls, Paula Gutowski and Donna Camerera, represented Pembroke Central. They competed against other senior girls in the county in such areas as Physical Fitness, Scholastic Achievement, Creative and Performing Arts, Poise and Appearance and Judges' Interviews.

After a long wait for the judges' decision, Donna was awarded the Poise and Appearance Award and third runner-up. She was also voted Spirit of the Junior Miss by her fellow contestants.

To be on National Honor Society one must have good character, possess leadership, and have an overall average of 85 or above. We started a new tradition this year and had both a spring and a fall induction of members. This made the largest group ever.

The group has plans for a tour of Kodak. One of the goals is to better communications among students and the administration.

The German Club's purpose is to foster interest in German culture and activities. The 60 member group is open to all German students. Their activities include the annual Oktoberfest, Christmas party, theater outings, Christmas caroling at area hospitals and the summer picnic and car wash. They all look forward to the spring trip to the Pennsylvania Dutch Country.

On February 8, 1982, we, the members of the Pembroke High School "It's Academic Team," traveled with our parents and friends by bus to the WIVB Studios in Buffalo for the taping of the show.

We competed against Lockport High and Holy Angels Academy. Though a hard battle was fought, we were defeated in the end. All of us agree that it was an experience that we will never forget.

Smiles from Germany!

Yeah! That's me: Tiny, the crazy girl from Germany!
(What some guys keeping telling me . . .)

Being here is a really good experience and I had a great time. The biggest change for me was to live in a country because in Germany I live in a big city, as big as Buffalo. But anyway, I like this kind of living, even when it was hard sometimes to get a ride to do something. The best part was that I got to know so many new people and that I found some really good friends! Thanks to everyone who helped me and shared this year with me. Here is my address:

AFS — Walk Together, Talk Together

AFS — Walk together, talk together!

The year I spent in Pembroke was a real good experience for me. My name is Anita Bachmann and I come from Austria.

It's just great that I got the possibility to go to a foreign country and I'm thankful that I got a place in Pembroke. People are really nice and friendly here. I want to thank all of you who helped me in the beginning and during this year.

As I already graduated in Austria, school here isn't very hard for me. But it's always good when you can see how different the education in foreign schools is. Not just education — I also found some changes in living and how the country looks like.

To be a friend of a lot of people means very much for me and if anybody should come to Austria sometime, my house always will be open.

Turkish Travels

This past summer I was lucky enough to spend time in Turkey. A lot of you are probably saying, "Turkey, is she crazy?" Well, I learned a lot about different people, and different attitudes. I also learned that you can't prejudge people, and things are not always the way newspapers and history books say they are.

I want to thank everyone who made my trip possible, especially the adult AFS club, our school AFS club, and all of my friends that kept me up on the "latest" in the U.S., and a special thanks to my family.

Always
Suanne

A dark, high-contrast, black and white photograph of a textured surface, possibly a book cover or endpaper. The image shows a grid-like pattern, likely from a woven material or a printed design. A small, lighter rectangular area is visible in the upper right quadrant. The overall appearance is grainy and abstract, with a focus on texture and light/dark patterns.

Work work work

Organization and cooperation are part of all the fun

Keepin' in style

We made sure we had a good time and a good concert

Each day begins with the students hurrying from the bus into the school

Some don't wake up on time and show up late

While others come to school half asleep

After homeroom the students hurry to their classes

Some have been reminded when way to go by teacher

while others stand around and ask

stand on their heads

or even climb a tree

once in class the students get right down to work

No matter what subject it may be

The students work hard to finish their work

There are always some who don't like to work

And some who do

And some that are Proud of their work

And fathers who are Proud

After the work is done

Letting it be some fun

And Special Moments with Friends

But when the last bell rings

We say our Goodbyes

And then we're on our way
